Weasel Clause: *Drive Lines* is the official monthly publication of Reno Corvettes, however, opinions expressed in this publication are not necessarily those of Reno Corvettes or its officers, so there.

No animals were harmed in the testing or production of this newsletter... just the editor.

President's Exhaust

Summer is Here!

Flag Day, Father's Day & Picnics

lags, dads and Corvettes! What could be more All American? Okay, let's throw in a picnic with apple pie with vanilla ice cream

and a ball game. Better yet, plan to join us for the Big Springs Run on the 13th and we'll add some more elements.

Flag Day is the 14th which is the date in 1777 that the Second Continental Congress of the United States adopted the flag of the United States. Ever wonder how some businesses get away with flying those monstrous American flags? It seems that the government (city, county, state or federal) can't restrict how big, where or when you can fly the American flag. That's not to say that "anything goes," but within proper flag etiquette, you can do a lot.

Father's Day is on the 21st. It was President Calvin Coolidge who made it a national event to "establish more intimate relations between fathers and their children and to impress upon fathers the full measure of their obligations." I had three fathers that I claim; one biological, one adoptive, and one step. Each one taught me different things about life but none of them knew how to make or fly paper airplanes, so I bought a book. What are some of the things your father taught

you? Fishing? How to make and dispense spit-balls? Don't hit girls (they hit back)! My favorite, "If you don't like what mom said, come take a ride with dad."

Summer officially starts on the 21st as well, which makes "Drive Your Corvette to Work Day" on the 26th a great opportunity to get the car(s) out and take a ride.

Now don't take "work" too seriously, after all most four letter words have multiple meanings in the American language and this one is a leader in the field of multiple definitions.

As you are out and about, please remember to acknowledge your fellow Corvetters with a wave. Hope to see you all on June 4th at the next general meeting.

Until then... Save the Wave.

Your President, Lisa

MICHELLE DANIELSON AND JOAN ABITTAN COMPLETED THE 5K "MOM'S ON THE RUN" ON MOTHER'S DAY, MAY 10TH. THE EVENT RAISES MONEY TO ASSIST LOCAL WOMEN WITH CANCER. THEIR CHEERING SECTION CONSISTED OF THE LEUKHARDTS AND THE ABITTAN FAMILY. CONGRATULATIONS, MICHELLE AND JOAN!
